

2016 MOTORCYCLE-SCOOTER-ATV CO-OP ADVERTISING GUIDELINES

We designed this Co-op Advertising program to encourage your advertising and promotion of Suzuki motorcycles, ATVs and scooters in a way that increases retail sales and positively promotes the brand and all Suzuki products. With cooperative funding, we hope you will advertise with more frequency and creativity, while communicating appropriately and effectively.

The co-op program is administered by Advertising Checking Bureau (ACB) in Tempe, Arizona. All claims submitted are subject to auditing by ACB for proper documentation, brand mention and approved advertising activities. In this regard, ACB is a partner of SMAI and works with us to further our promotional goals and help you advertise with accuracy and efficiency.

Suzuki advertising co-op is available only for authorized dealers. Only paid advertising will be reimbursed.

CO-OP YEAR

The 2016 co-op program begins October 1, 2015 and will end September 30, 2016. There is a 60-day grace period for submitting final claims. **All claims for advertising done before October 1, 2016 must be received with all required documentation by November 30, 2016.** After that date, claims will be rejected and the remaining fund balance will be written off. This money will not be transferred to the next co-op year.

FUND GENERATION

Dealers will earn 1.5% of dealer net monthly for 2016 models invoiced to their dealership.

For units invoiced from now until September 2016, all generated funds (regardless of model year) will be applied to the current 2016 Co-Op year. This co-op schedule applies to all new Suzuki motorcycles, scooters, and ATVs, regardless of model year. Units must be invoiced to a dealer by Suzuki in order to be eligible, so dealer-to-dealer sales are not eligible.

REIMBURSEMENT

Suzuki will reimburse 60% of your paid, approved advertising up to the amount of co-op funds available. Reimbursement is applied to your open Parts Account in the form of a credit.

Genuine Suzuki Accessories and Parts Bonus:

Genuine Suzuki Accessory or Genuine Suzuki Parts offer placed on your approved Suzuki product advertisement Co-Op will be reimbursement at 70%.

Ad content requirements:

- Ad must meet all Suzuki Co-Op guidelines
- Genuine Suzuki Accessory or Parts offers must be on advertisements
- Accessory or Parts appropriate logos (Adplanner.suzukicycles.com)

You may continue to submit claim forms for advertising reimbursement although your co-op fund balance is overdrawn; the excess amount will be carried forward until additional funds are generated. If funds are no longer being generated, you will not be charged or reimbursed for claims.

AD PRE-APPROVAL

To ensure your advertising qualifies for co-op reimbursement, you may request pre-approval by email, fax, or mail.

Attn: Suzuki M/C & ATV Co-op Pre-Approval c/o ACB

Email: suzuki@acbcoop.com or Fax: (602) 438-4837

Ads will be returned via email or fax with approvals or comments within two business days, so be sure to include your name, fax number and Suzuki dealer number with your ad.

*To receive pre-approval on Television/Cable ads, both the script and DVD must be submitted for review or emailed to: suzuki@acbcoop.com. If only one form of documentation is submitted, the pre-approval will only be valid for that portion of the advertising.

KEEPING TRACK

You can view your account online at <http://tempe.acbcoop.com/paranet60> 24 hours a day 7 days a week. Please use your dealer number as UserId and your password provided by ACB. If you have forgotten your password, please contact ACB or click on the icon "Need a Password"? This site allows you to view your current fund balance as well as all claims submitted by your dealership.

The amount of credit issued for approved advertising will never exceed the current fund balance. When the total amount of approved claims exceeds the current fund balance, the remaining amount not credited will then be issued automatically when additional co-op funds are generated.

AGENCIES AND GROUP ADVERTISING

Dealers should submit their own claims to ACB, even if the advertising is placed through an agency. Agency invoices or insertion orders are not adequate co-op documentation.

AD CONTENT AND REQUIREMENTS

1. Only new and unsold Suzuki motorcycles, scooters, and/or QuadRunner ATVs, including carryover inventory, may be featured. Suzuki does not reimburse for advertising which includes or mentions competitive brands (including logos, watercraft, snow mobiles and apparel), other products or used vehicles.
2. Suzuki parts, accessories and service may be included in advertising which otherwise meets content requirements.
3. All advertising must correctly use the Suzuki logo supplied in your Ad Planner found on <http://adplanner.suzukicycles.com> The Suzuki logo must be larger than or equal to the dealer name and/or dealer logo.
4. All QuadRunner ATV or Motorcycle advertising that lists features, displays ATVs or Motorcycles in operation, or describes QuadRunner ATVs or Motorcycles with action words must include the proper safety messages, or reimbursement will be denied.
5. Ads must include a visual representation of a new Suzuki Motorcycle/Scooter/ATV in the form of line art or photography.
6. Ads should mention the brand name before the model. For example, Suzuki GSX-R600.
7. Advertised price must be the MSRP for current model year products. Using any other price may disqualify your ad for reimbursement. Monthly payments also are acceptable. You may not advertise the MSRP with a save or rebate offer next to it. You may, however, advertise a save or rebate offer separately, as long as the MSRP is not included. You also may use phrases such as "Call dealer for lowest price!" or "Discounts available." These may actually work better because they will lead customers to contact your dealership. MSRP is not required for non-current product.
8. Ads which include claims that the dealer is "largest," has the "highest volume", is "#1," etc., will be subject to verification.
9. Only English-language advertising is eligible for co-op reimbursement.
10. Production costs (including talent fees and agency commissions) are not eligible for co-op, unless otherwise noted or approved by Suzuki.

RESPONSIBLE ADVERTISING AND ETHICAL STANDARDS

To build and maintain public confidence and respect in our Dealers, Suzuki, and Suzuki products, Dealers are expected to maintain high standards of ethics in advertising and promoting Suzuki products. Suzuki reserves the right to refuse co-op reimbursement for any ad which, in Suzuki's sole discretion, depicts a Suzuki product in a manner which affects in a negative and detrimental manner Suzuki's trademarks, business or goodwill. In addition, upon notice from Suzuki, Dealer shall discontinue any advertising or promotions that Suzuki may find in its sole judgment to be injurious to Suzuki's trademarks, business or goodwill.
